

Ingredients

2 frozen salmon steaks per person

200g frozen spinach per person

Maggi "Krabbensuppe" or Knorr "baked salmon" mix
nutmeg

Method

If frozen, defrost before. Preheat oven at 180. Place spinach in a form that can go in the oven. Place salmon on top of it, season with salt and pepper. Mix 250 ml of heavy cream with Maggi "Krabbensuppe" powder or Knorr "baked Salmon" mix (doesn't matter which one and I also don't remember the exact names of these products :-o). Distribute over spinach and salmon, both should be more or less covered with the cream. Place in oven, let go for 20 to 30 min. Should be light brown on top when ready. Good with potatoes or baguette.
